

GOD’S WORDS FOR TODAY (Lk. 6:12-19)

The Holy Gospel according to St. Luke

12 In these days he went out to the mountain to pray; and all night he continued in prayer to God. 13 And when it was day, he called his disciples, and chose from them twelve, whom he named apostles; 14 Simon, whom he named Peter, and Andrew his brother, and James and John, and Philip, and Bartholomew, 15 and Matthew, and Thomas, and James the son of Alphaeus, and Simon who was called the Zealot, 16 and Judas the son of James, and Judas Iscariot, who became a traitor. 17 And he came down with them and stood on a level place, with a great crowd of his disciples and a great multitude of people from all Judea and Jerusalem and the seacoast of Tyre and Sidon, who came to hear him and to be healed of their diseases; 18 and those who were troubled with unclean spirits were cured. 19 And all the crowd sought to touch him, for power came forth from him and healed them all.

REFLECTION:

What is God's call on your life? When Jesus embarked on his mission he chose twelve men to be his friends and apostles. In the choice of the twelve, we see a characteristic feature of God's work: Jesus chose very ordinary people. They were non-professionals, who had no wealth or position. They were chosen from the common people who did ordinary things, had no special education, and no social advantages. Jesus wanted ordinary people who could take an assignment and do it extraordinarily well. He chose these men, not for what they were, but for what they would be capable of becoming under his direction and power.

PRAYER:

Lord Jesus, inflame my heart with a burning love for you and with an expectant faith in your saving power. Amen.

MISSION VISION

“Inspired by our faith in God, by our Catholic traditions and by the charism of St. John Baptist de La Salle educational innovator par excellence, we together and by association are committed to give quality human and Christian education to all building a society founded on equity and justice and on sustainable and inclusive development. .”
