

**GOD'S WORDS FOR TODAY (Lk. 24:13-35)**

**The Holy Gospel according to St. Luke**

That very day, the first day of the week, two of Jesus' disciples were going to a village seven miles from Jerusalem called Emmaus, and they were conversing about all the things that had occurred. And it happened that while they were conversing and debating, Jesus himself drew near and walked with them, but their eyes were prevented from recognizing him. He asked them, "What are you discussing as you walk along?" They stopped, looking downcast. One of them, named Cleopas, said to him in reply, "Are you the only visitor to Jerusalem who does not know of the things that have taken place there in these days?" And he replied to them, "What sort of things?" They said to him, "The things that happened to Jesus the Nazarene, who was a prophet mighty in deed and word before God and all the people, how our chief priests and rulers both handed him over to a sentence of death and crucified him. But we were hoping that he would be the one to redeem Israel; and besides all this, it is now the third day since this took place. Some women from our group, however, have astounded us: they were at the tomb early in the morning and did not find his Body; they came back and reported that they had indeed seen a vision of angels who announced that he was alive. Then some of those with us went to the tomb and found things just as the women had described, but him they did not see." And he said to them, "Oh, how foolish you are! How slow of heart to believe all that the prophets spoke! Was it not necessary that the Christ should suffer these things and enter into his glory?" Then beginning with Moses and all the prophets, he interpreted to them what referred to him in all the Scriptures. As they approached the village to which they were going, he gave the impression that he was going on farther. But they urged him, "Stay with us, for it is nearly evening and the day is almost over." So he went in to stay with them. And it happened that, while he was with them at table, he took bread, said the blessing, broke it, and gave it to them. With that their eyes were opened and they recognized him, but he vanished from their sight. Then they said to each other, "Were not our hearts burning within us while he spoke to us on the way and opened the Scriptures to us?" So they set out at once and returned to Jerusalem where they found gathered together the Eleven and those with them who were saying, "The Lord has truly been raised and has appeared to Simon!" Then the two recounted what had taken place on the way and how he was made known to them in the breaking of the bread.

**Reflection:**

How often do we fail to recognize the Lord when he speaks to our hearts and opens his mind to us? The Risen Lord is ever ready to speak his word to us and to give us understanding of his ways. Do you listen attentively to the Word of God and allow his word to change and transform you?

**Prayer:**

Lord Jesus Christ, open the eyes of my heart to recognize your presence with me and to understand the truth of your saving word. Amen.

**MISSION VISION**

"To be a sign of faith as an excellent educational institution, sharing in the Lasallian mission of teaching minds, touching hearts and transforming lives."

**FROM THE OFFICE OF THE PRESIDENT – RISK MANAGEMENT, AUDIT and COMPLIANCE OFFICE:**

The Modern of Conduct School Peer Visit (MCS-PV) for De La Salle Lipa is on April 20-21, 2017. The peer visit covers the following area: Admissions & Registration; Human Resource Management; and the five sub-areas of Facilities & Environmental Program Management (Regulatory Compliance, Environmental Education, Carbon Neutrality, Disaster Risk Reduction & Management-Emergency Preparedness and Occupational Safety and Health). This visit helps in ensuring that the MCS implementation will be a valuable exercise towards achieving excellence in the management of the network schools.

**DLSP MODERN CONDUCT OF SCHOOLS**

The *Modern Conduct of Schools: Guiding Principles for the Stewardship of Resources in Lasallian Institutions* provides a standard framework which Lasallian institutions can use to plan, organize, and manage their operations and resources. The principles and standards on key institutional processes contained in the MCS manuals, will serve as a guide for formalizing the policies and procedures of all Lasallian Institutions.

**OBJECTIVES**

The MCS aims to:

- Serve as the Network of School's "constitution and by-laws" in the discharge of school management, providing a basis for responsible oversight;
- Ensure the continued autonomy of schools, with the corresponding responsibility and accountability to uphold DLSP's principles and standards;

- Promote synergy and optimization of network-wide resources resulting in improved process efficiency and effectiveness, judicious management of resources, and consistency of stakeholder experience that uphold the Lasallian mission and values.

## **FROM THE OVCAR – INTEGRATED SCHOOL COMMUNITY:**

### ***From the Integrated School Principal***

1. The members of the IS Evacuation and Safety Committee will have a First Aid Training tomorrow, Thursday at 10:00am- 12:00nn, MMR 7 & 8.
2. Members of the Tripartite Academic Council (LACs from GS to SHS) will have a meeting today from 8:30 -3:00 pm, MMR 7.
3. Members of the Performance Evaluation Board will have a meeting on April 21, 1:30pm at the LRC 2 Conference Room.

### **4. *From the SIKAT Moderator***

Si Kristo At Tayo (SIKAT) is inviting students who are willing to volunteer and serve the young especially those in need. Interested students may get application form at the Vocations Ministry Office (VMO) beside the SENTRUM. Thank you very much.

### **5. *From the IS Evacuation and Safety Committee***

To refresh and strengthen our preparedness if an earthquake happens, we will be having an earthquake drill anytime today. Please be guided by the following:

### **Staying Safe Inside and Outside Your Classroom**

#### ***During an Earthquake***

1. Do the DUCK, COVER and HOLD. Find something that can cover you like tables and chairs.
2. Move as little as possible. Most injuries (sprains, fractures and head injuries) during earthquakes occur because of people moving around. Try to protect your head and torso.
3. If outside, find a clear spot and drop to the ground. Stay there until the shaking stops. Try to get as far away as possible from buildings, power lines, and trees.
4. Stay calm and DO NOT PANIC. Be ready to evacuate and to go to the assembly area (OVAL) if you are sure it is safe to exit/move.

#### ***After an Earthquake***

1. Once the shaking stops you need to be ready to evacuate. Use the stairs and do not attempt to use the elevator.
2. Use the route designated for your class if you are inside your classroom. Class Presidents are requested to make a review of their route with their classmates.
3. If you are not inside your classroom (at the canteen, library, roof deck, court, or in any place inside the school), you should not panic. Be vigilant in checking your surroundings going to the assembly area. If your route gets crowded, do not push one another to avoid stampede and commotion.
4. Check to make sure that there is no debris from the building that could fall on you. In case there is, find a safer alternate route to go to the assembly area.
5. Expect and prepare for potential aftershocks.
6. Each time you feel an aftershock, do the DUCK, COVER and HOLD. (*Aftershocks frequently occur minutes, days, weeks and even months following an earthquake.*)

#### **Notes:**

1. Class Secretaries will help the Class Presidents in checking the attendance of the class once you reached the assembly area.
2. Flaglets are still part of the evacuation. Bring it if the earthquake/drill happens while you are inside the classroom. It will help us to easily monitor attendance.
3. For classes who are not in their classroom during the drill/earthquake, Class Presidents and Secretaries are required to check the attendance and should report it to their Adviser and GM.
4. Lasallian Partners are also requested to proceed immediately to the assembly area. If in case the drill/earthquake happens during recess or lunch break, the next subject teacher shall be in charge of confirming the attendance of the class.
5. Nowadays, it is advisable to always have a buddy. Do not go somewhere inside the school ALONE. Get a COMPANION.

6. We should all remember that “everyone’s safety is our topmost concern,” so, we need to execute the evacuation CALMLY and SERIOUSLY.

**FROM THE OVCAR – GRADE SCHOOL COMMUNITY:**

*From the Assistant Principal for Administration*

- Everyone is enjoined to participate seriously in the earthquake drill which will happen anytime today. Homeroom advisers are requested to explain the guidelines to our students clearly. Make sure they know what to do in case it happens during recess, lunch break or dismissal time. Thank you.

Cont...Brain Aneurysm

*What are the symptoms?*

Most brain aneurysms cause no symptoms and may only be discovered during tests for another, usually unrelated, condition. In other cases, an unruptured aneurysm will cause problems by pressing on areas in the brain. When this happens, the person may suffer from severe headaches, blurred vision, changes in speech, and neck pain, depending on what areas of the brain are affected and how bad the aneurysm is.

Symptoms of a ruptured brain aneurysm often come on suddenly. If you have any of the following symptoms or notice them in someone you know, call or other emergency services right away:

- A sudden, severe headache that is different from past headaches.
- Neck pain.
- Nausea and vomiting.
- Sensitivity to light.
- Fainting or loss of consciousness.
- Seizures.
