

ANG MABUTING BALITA (Mt. 25:1-13)

Ang Mabuting Balita ng Panginoon ayon kay San Mateo

“Ang kaharian ng langit ay maitutulad dito. May sampung dalagang lumabas upang sumalubong sa lalaking ikakasal. Bawat isa’y may dalang ilawan. Ang lima sa kanila’y hangal at ang lima nama’y matatalino. Ang mga hangal ay nagdala ng kanilang mga ilawan ngunit hindi nagbaon ng langis. Ang matatalino nama’y nagbaon ng langis, bukod pa sa nasa kanilang mga ilawan. Naantala ang pagdating ng lalaking ikakasal kaya’t inantok at nakatulog sila sa paghihintay.

“Ngunit nang hatinggabi na’y may sumigaw, ‘Narito na ang lalaking ikakasal! Lumabas na kayo upang salubungin siya!’ Agad bumangon ang sampung dalaga at inayos ang kanilang ilawan. Sinabi ng mga hangal sa matatalino, ‘Bigyan naman ninyo kami kahit kaunting langis. Aandap-andap na ang aming mga ilawan.’

‘Baka hindi ito magkasya sa ating lahat. Mabuti pa’y pumunta muna kayo sa tindahan at bumili ng para sa inyo,’ tugon naman ng matatalino. Kaya’t lumakad ang limang hangal na dalaga. Habang bumibili sila, dumating ang lalaking ikakasal. Ang limang nakahanda ay kasama niyang pumasok sa kasalan, at isinara ang pinto.

“Pagkatapos, dumating naman ang limang hangal na dalaga. ‘Panginoon, Panginoon, papasukin po ninyo kami!’ sigaw nila. “Ngunit tumugon siya, ‘Tandaan ninyo, hindi ko kayo nakikilala.’” Pagkatapos nito’y sinabi ni Jesus, “Kaya’t magbantay kayo, sapagkat hindi ninyo alam ang araw o ang oras man.”

Pagninilay:

Pinapayuhan ni Jesus ang kaniyang mga tapat na tagasunod na ‘patuloy na magbantay’ sa panahon ng kaniyang presensiya. Darating siya, at kailangang handa sila at mapagbantay—tulad ng limang matatalinong dalaga—para hindi nila maiwala ang kanilang napakahalagang pag-asa at ang gantimpalang naghihintay sa kanila.

Panalangin:

Panginoon, gawin mo kaming laging handa sa muli mong pagparito sa lupa para sa iyong paghahari. Amen.

GUIDELINES ON EARTHQUAKE DRILL

We would like to inform everyone that there will be an earthquake drill on September 5, 2018 at 8:40am. Please be guided by the following instructions:

1. Mr. Reinard Anog, our IS Evacuation Committee Head, together with all the committee members, in coordination with Mr. Roland Bragais and Mr. Ariel Bejasa Jr, DLSL Security and Safety Officers and Mr. Michael Kasilag, the ISSESO Head will facilitate the earthquake drill.
2. The alarm system will be activated in a minute or so to prompt everybody that there is an earthquake in progress. During this time all occupants of the classroom need to do the “DROP, COVER and HOLD”. No one is yet allowed to leave the classrooms or offices while the alarm system is still on.
3. When the siren has stopped, that is the time when everybody should leave the classrooms and offices immediately following the planned route to be discussed by the GMs with the class presidents/class representatives.
4. Presidents should be the first one on the line to lead the class, bringing the flaglets in the classroom. On the other hand, class secretary and earth marshal will be the last persons, to ensure that all classmates had left the room and the lights, fan and ACU are turned off.
5. Students are to leave all valuables in the classroom and the objective is to reach the evacuation site the quickest way possible. Classroom doors must be locked for the security of the students’ belongings. LS and BB Building occupants must be able to leave the building in three (3) minutes!
6. Floor Marshals are designated at each floor of the building to ensure all students and partners have left the building.
7. When forming lines at the oval, all classes must be aligned with the provided orange cone markers.
8. Upon arrival at the evacuation site (oval), the class secretary initially counts his/her classmate to check the attendance and reports it to the president. The president raises the corresponding flaglet: GREEN when the members of the class are complete and RED if otherwise. The president also reports it to the class adviser.
9. The adviser reports it to their GM; the GM reports it to the AP (Building Marshal) and the AP reports it to the Principal.
10. In case of lost students, the GM reports it to the ISSESO to conduct search and rescue.
11. It is important that everybody will participate in the execution of the drill seriously. Homeroom adviser of each class must be in front of the line upon reaching the evacuation site.
12. Specific tasks are delegated to the following:
 - a. LACs have to monitor the positioning of the classes in the oval following the section labels posted on the fence fronting the Archbishop Palace.
 - b. Security personnel are to declare ‘all clear’ after checking that everyone has moved out of the hall. They can also check on anybody who is not taking the drill seriously.
 - c. GSD/ISSESO has to require the participation of the canteen personnel and all the parents inside the campus.
 - d. The Principal and the IS Evacuation Committee Head are to call the roll of the students by level and will give other instructions.
 - e. Class President will help the teacher in leading the class to the designated route.
 - f. Assigned time keeper will announce the length of time spent evacuating BB and LS building respectively and Mr. Reinard Anog for the overall time of the drill.
 - g. Office Heads and Guidance Counselors will assist the preschool teachers in leading the pupils to the oval.
 - h. Clinic staff and EMT will be deployed to give first aid to those who need assistance
13. Remember that safety is everybody’s concern and that disaster preparedness is important to safeguard one’s life. Take an active part.

Maligayang Pagdiriwang ng Buwan ng Wika 2018: “Wika ng Saliksik”

Ang paggunita at pagtangkilik sa wikang Filipino ay hindi lamang dapat simulan at tapusin sa pagdiriwang ng buwan ng wika. Dapat ay araw-araw itong ipinagdiriwang upang araw-araw nating mapahalagahan ang ating identidad, ang ating pagiging Filipino. Tunghayan ang pagpapatuloy ng pagbabahagi ng mga mahahalagang kaisipan tungkol sa wika na ipinahayag ni Virgilio S. Almario, *National Artist* sa kanyang sinulat na “Hinggil sa Wika” sa Washington D.C. noong ika-12 ng Hunyo 2018:

Subalit para sa atin ngayon, ang Buwan ng Wika ay isa ring malaking pagkakataon para ipagdiwang ang nabubuhay pang mahigit sandaang katutubong wika sa buong kapuluan. Nangangahulugan ang Buwan ng Wika ng tumpak na pagkilala at pagpapahalaga gayundin ng pag-uukol ng kailangang pangangalaga sa napakadakilang pamanang pangkulturang ito. Iniaatas mismo ng batas na maging bukal ang mga katutubong wika para sa pagpapayaman ng Wikang Pambansa. Taglay ng mga ito ang pinakamataas, pinakamakukulay, at katutubong ekspresyon ng malikhaing talinong Filipino. Ang paggalang sa mga katutubong wika ay pagkilala sa katotohanang sari-sari ang malikhaing talino at kaya sari-sari ang naging paraan ng pagkabuo ng kultura sa buong mundo. Ang lahat ng wika ay pantay-pantay, gaya ng pangyayaring ang lahat ng ating katutubong wika ay pawang may potensiyal maging wika ng makabagong pamumuhay. Bukod sa pagsusuri ng bokabularyo at gramatika ng ating mga katutubong wika, ang paghugot ng mga konsepto at karanasang nakatimo sa mga ito ay makabuluhang hakbang tungo sa nararapat na pagbalangkas ng higit na pambansa at makabansang pagkatha ng Filipinas.

Marami pong salamat sa pakikiisa sa pagdiriwang ng Buwan ng Wika. Mabuhay ang wikang Filipino . . . mabuhay ang lahang Pilipino!!!
