

**GOD’S WORDS FOR TODAY (Mt. 1:16, 18-21,24)**

*The Holy Gospel according to St. Matthew*

Jacob was the father of Joseph, the husband of Mary. Of her was born Jesus who is called the Christ. Now this is how the birth of Jesus Christ came about. When his mother Mary was betrothed to Joseph, but before they lived together, she was found with child through the Holy Spirit. Joseph her husband, since he was a righteous man, yet unwilling to expose her to shame, decided to divorce her quietly. Such was his intention when, behold, the angel of the Lord appeared to him in a dream and said, “Joseph, son of David, do not be afraid to take Mary your wife into your home. For it is through the Holy Spirit that this child has been conceived in her. She will bear a son and you are to name him Jesus, because he will save his people from their sins.” When Joseph awoke, he did as the angel of the Lord had commanded him and took his wife into his home.

**REFLECTION:**

Are you ready to put your trust in the Lord to give you his help and guidance in fulfilling your responsibilities? God gives strength and guidance to those who seek his help, especially when we face trials, doubts, fears, perplexing circumstances, and what seems like insurmountable problems and challenges in our personal lives. God our heavenly Father has not left us alone, but has given us his only begotten Son, Jesus Christ, to be our savior, teacher, lord, and healer. Where do you need God's help, strength, and guidance?

**PRAYER:**

Lord Jesus, may I always trust in your saving help, guidance, wisdom, and plan for my life. Amen.

**MISSIONVISION**

“Inspired by our faith in God, by our Catholic traditions and by the charism of St. John Baptist de La Salle educational innovator par excellence, we together and by association are committed to give quality human and Christian education to all building a society founded on equity and justice and on sustainable and inclusive development.”

***From the TLE Department***  
***Attention Grade 8 students***

“The path from dreams to success does exist. May you have the vision to find it, the courage to get on to it, and the perseverance to follow it.” Kalpana Chawla

This coming SY 2019-2020, TLE department will be offering six (6) tracks to all incoming grade 9 students. A video clip presentation of the different tracks was uploaded to your Canvas account by your TLE/Computer teachers. The video will give you the needed information and guidance on what particular track you will choose. The url for the tracking survey form is <http://gg.gg/dlsl-tle-tracking-survey-sy2019-2020>. Please be guided with the following procedures:

- The video was uploaded in your TLE/Computer Canvas Files.
- Watch the video clip from the beginning up to the end together with your parents / guardian and any adult companion to fully understand the tracking program.
- Choose wisely the first priority and your second priority.
- Think twice, thrice before you click the track that you will be choosing.
- Be reminded that once you choose the track, it will be considered final.
- Read carefully the directions provided in the tracking survey google forms while you fill out the survey.
- Make sure that you received the confirmation message that your answer was accepted.

***From the JHS Science Department***

We are very pleased to announce that the Top 3 Teams of the K12 Buddy Program Culture of Throw Away Plastics will represent De La Salle Lipa in the Future City Summit 2019 at College of St. Benilde on March 19-21, 2019. Using their winning concepts, the summit is a great opportunity for our students to be exposed on global awareness and sustainability projects and for them to be engaged in multicultural and multidisciplinary conversation.

In line with this, we are informing the subject teachers that the following students will be pulled out of their classes. Thank you very much for the support.

Danielle Lei R. Araez Grade 10 BM 202

**From BULIK The Official Publication of the Junior High School**

Behind every page of a BULIK newspaper lies beneath the story of the people who made it possible. But the question is, did you know how the name BULIK, came to be?

Most of the time, graduation comes but students still do not know the legacy that BULIK upholds every year. In celebration of the golden year of the publication, below are some facts that will fill you with knowledge about the history of BULIK.

The first classes in De La Salle Lipa were held on Wednesday, June 6, 1962. A month after, on Monday, July 2, 1962, the first Activity Period called for students interested in working for the school newspaper. The response was very encouraging as a large number reported to the library for future assignments. The first school paper was called the LipaSallian, which had its roots from De La Salle University's The LaSallian.

The name change came during the term of Br. Rafael Donato as Director and Principal in 1968. Underneath the coconut trees and among the horses in the grounds of the school were a number of bulik native chickens. The late brother wanted to highlight these Lipa symbols in all of the school's publications.

Bulik, the ubiquitous creature in Lipa, symbolized grandeur, stamina and determination. This became the official DLSL publication's nameplate.

In its fifty years, BULIK- a group young journalists, writers and radio broadcasters-has engraved its name in many division, regional and national writing competitions, and this continues to be a proof of its desire not just to walk graciously in its vicinity but to fly beyond its limits.

**2. Schedule a check-up for electrical wirings.**

Faulty electrical wirings can cause fire incidents. If you notice flickering light bulbs and sparking switches, have the lines checked by an expert as it might be high time for replacement and repair. Breakers should also be inspected by a professional for corrosion or hot spots.

Keep foot traffic away from electrical cords to avoid wiring damage. You should also limit the use of extension cords as they may overheat the sockets. Big appliances such as refrigerators should have their own outlet.

**3. Keep flammable items away from children**

Candles, matches, lighters, butane, gasoline and items alike should be stored away from children.

**FROM THE VCM – SPORTS DIRECTORATE:**

- 1. During the NCAA South meeting with the policy board (DLSL is represented by Dr. Eric Martinez and Ms. Emily Babasa), schools whose NCAA South scheduled is at the same date with major exams, will request for a parallel

schedule of exam and will push through with the game. This is decided because of the difficulty to convene a game schedule in a particular sports tournament period because each school has different exam schedule due to different academic calendar of member schools. Regarding this, please excuse our selected HS Football Boys athletes from their classes (JHS) / taking the scheduled exam today because of their prior schedule of NCAA-South. Concerned SHS students will take the exams during the parallel test.
