

GOD’S WORDS FOR TODAY (Lk. 9:51-56)

The Holy Gospel according to St. Luke

When the days drew near for him to be received up, he set his face to go to Jerusalem. And he sent messengers ahead of him, who went and entered a village of the Samaritans, to make ready for him; but the people would not receive him, because his face was set toward Jerusalem. And when his disciples James and John saw it, they said, "Lord, do you want us to bid fire come down from heaven and consume them?" But he turned and rebuked them. 56 And they went on to another village.

REFLECTION:

Tolerance is a much needed virtue today. But aren't we often tolerant for the wrong thing or for the wrong motive? Christian love seeks the highest good of both one's neighbor and one's enemy. How do you treat those who cross you and cause you trouble? Do you seek their good rather than their harm?

PRAYER:

Lord Jesus, widen my heart to love and to do good even to those who wish me harm or evil. Amen.

Prayer of St. Gertrude

Eternal Father, I offer Thee the Most Precious Blood of Thy Divine Son, Jesus, in union with the masses said throughout the world today, for all the holy souls in purgatory, for sinners everywhere, for sinners in the universal church, those in my own home and within my family. Amen.

MISSION VISION

“Inspired by our faith in God, by our Catholic traditions and by the charism of St. John Baptist de La Salle educational innovator par excellence, we together and by association are committed to give quality human and Christian education to all building a society founded on equity and justice and on sustainable and inclusive development. ”

On Block Rosary

The **month** of October each year is dedicated to the Most **Holy Rosary**. This is primarily due to the fact that the liturgical feast of Our Lady of the **Rosary** is celebrated annually on October 7.

<https://udayton.edu/imri/mary/o/october-month-of-the-rosary.php>

One of the activities of the ISFSA is the Block Rosary. We would like to solicit the support of all Lasallian partners to be with us in transferring the image of the Blessed Mother from one faculty room to another. The ISFSA representatives through the spiritual committee will lead us in this devotion. We consider this day a special visit of our Mother to our home/offices. It may also be a high time for us to have “Huntahan at Kapehan” after the prayer service. In this form of fellowship we could set aside our concerns and relax for a while with the presence of our mother who always give us comfort and care.

For ticket reservations, please get in touch with any of our SCB Officers or you may visit the SFO, AP and Principal’s Office. Thank you very much and we are looking forward to your support to this noble endeavour.
3. This is to reiterate our reminders on the importance of respecting other people’s personal belongings. Stealing is the deliberate taking of someone’s property without permission. It is against the Ten Commandments of God. No matter how protective or careful a person is of the things he/she owns, if someone will deliberately take it, it will be useless. Students need to be reminded of the importance of respecting other people’s property. They need to learn that other people’s property should be treated with as much or even more respect than they show their own belongings. Finally, they need to learn that there are rules and laws that protect other people’s property and that there are real consequences if they don’t. Always remember that God sees what others can’t and don’t. In order to avoid losses, students are advised not to bring certain valuable items to school so that the potential for having items taken is eliminated. Likewise, students should avoid bringing unnecessary electronic devices, as well as large amounts of cash.
